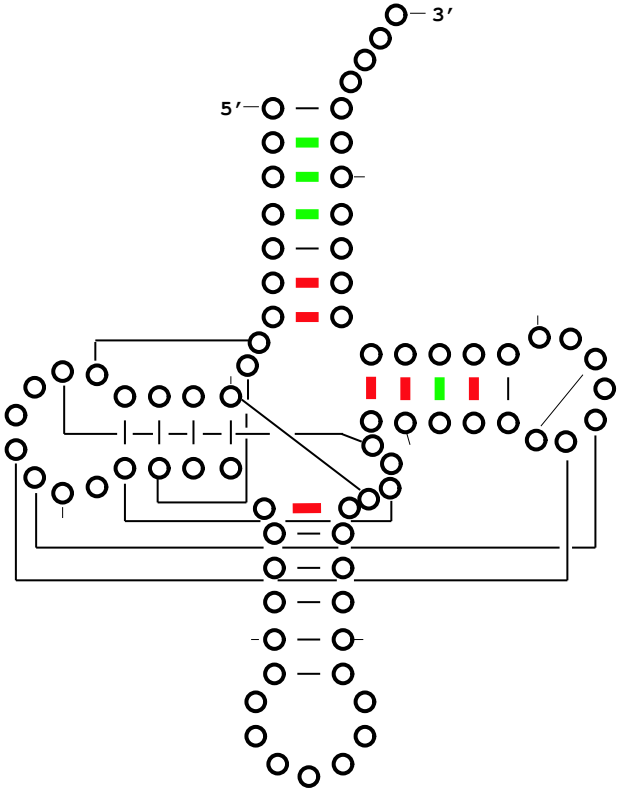
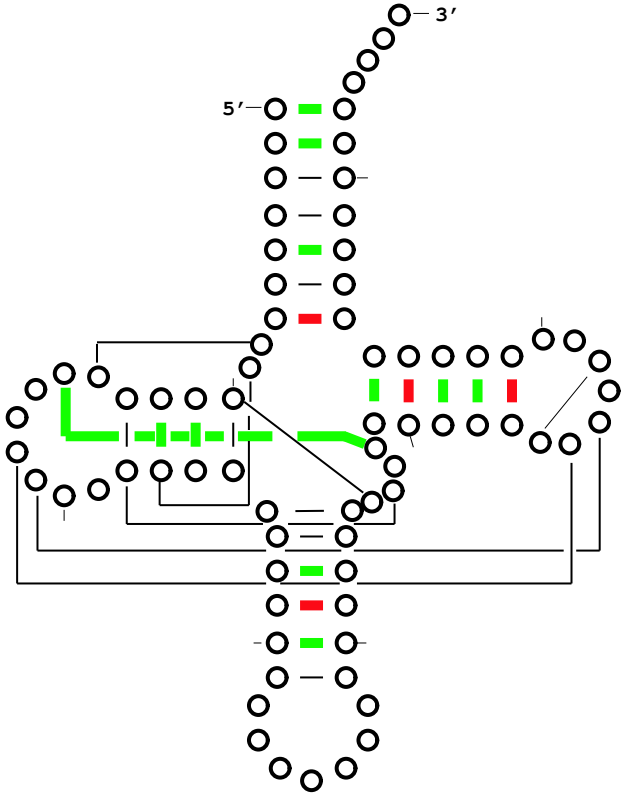
tRNA Number Pattern - 5 Sequences



tRNA-5 Number Pattern
Five Type 1 tRNA Sequences
6 (10) of 27 Pairs Identified

tRNA Number Pattern - 30 Sequences



tRNA-30 Number Pattern
Thirty Type 1 tRNA Sequences
4 (15) of 27 Pairs Identified

Red tick marks indicate unambiguous assignments, green tick marks indicate ambiguity in up to 20% of the pattern (but the two positions could be associated together), and black tick marks indicate that the pair is not detected by the method. The number of pairs detected is reported as: *#red* (*#red* + *#green*).
