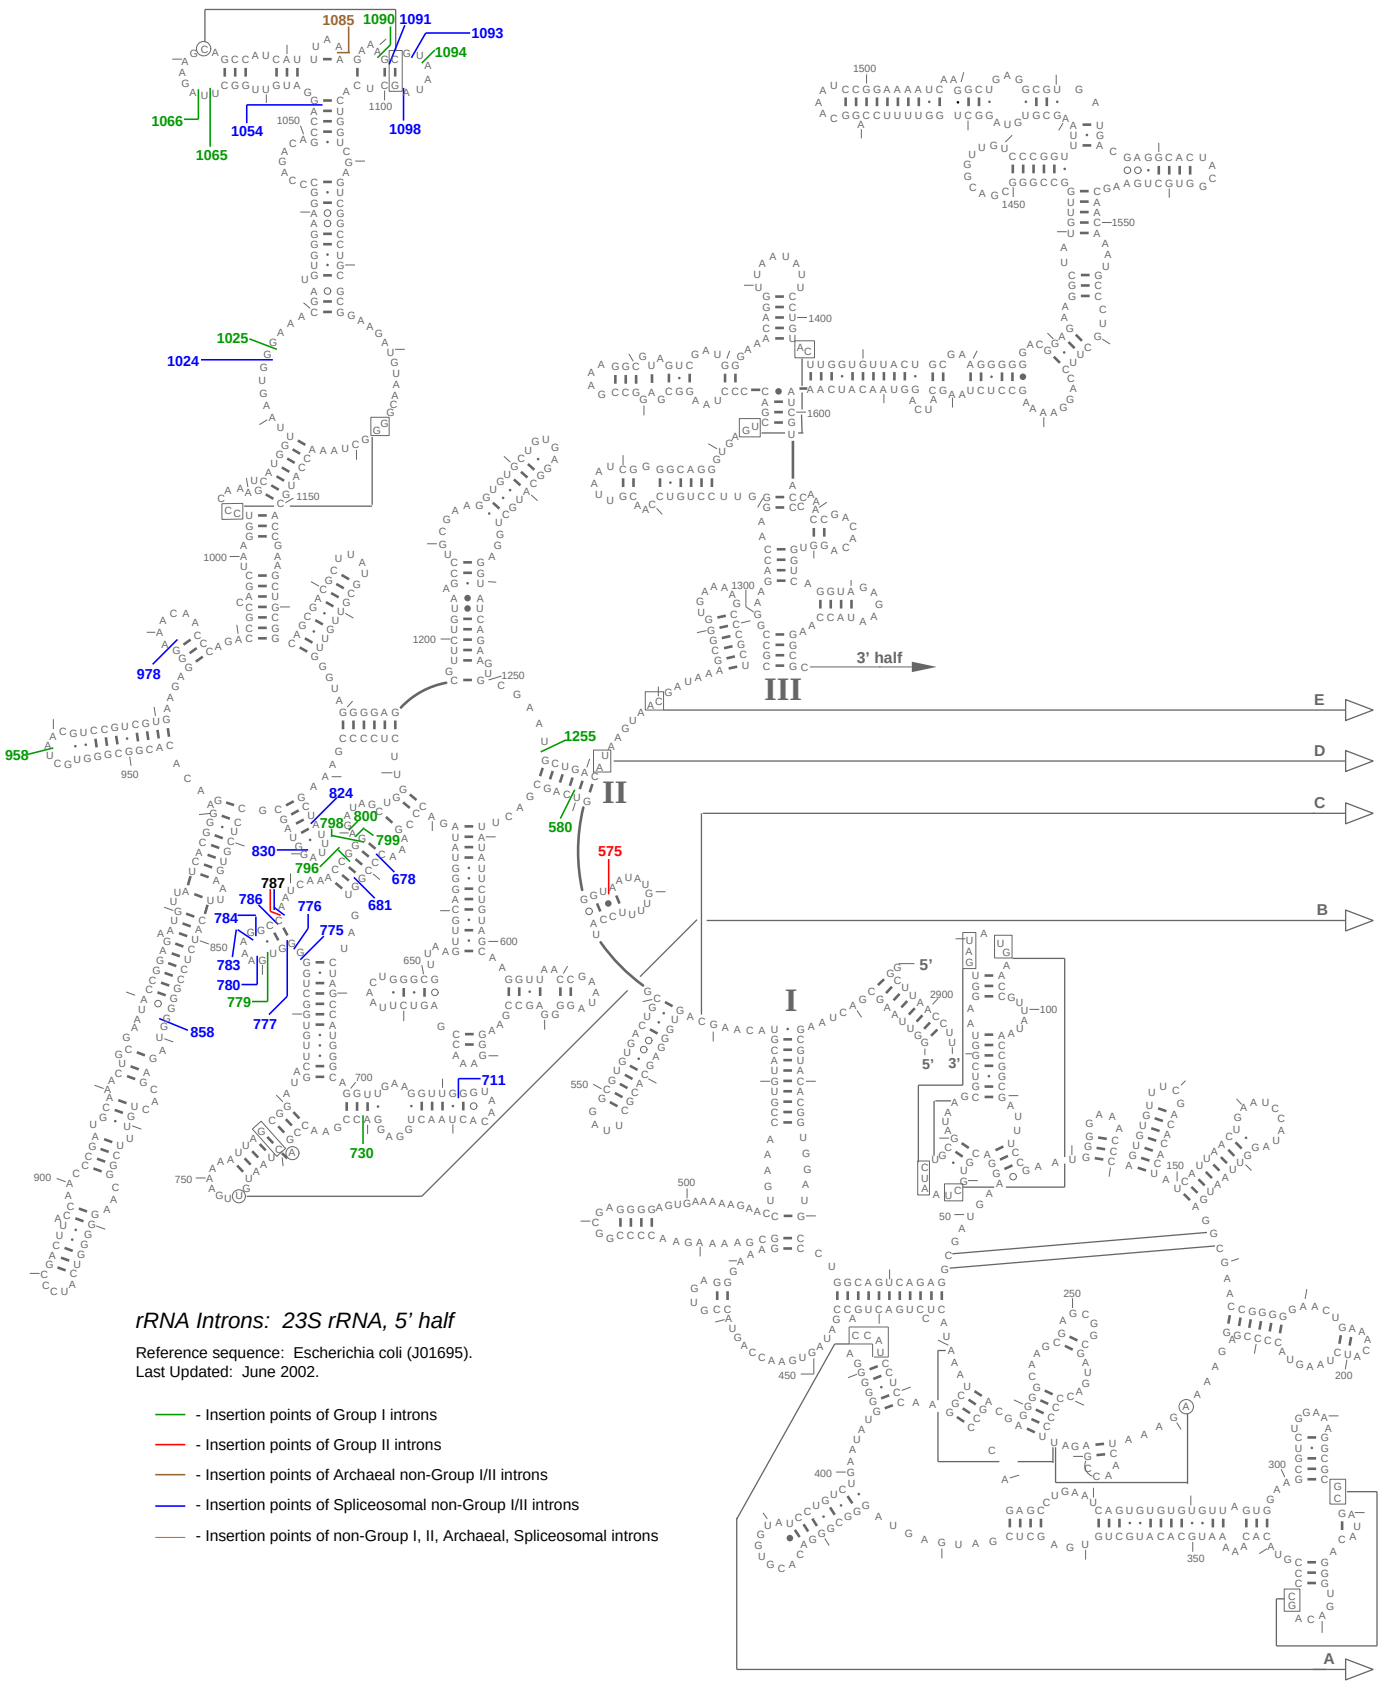
rRNA Introns: Intron Positions in 23S rRNA, 5' half



rRNA Introns: 23S rRNA, 5' half

Reference sequence: Escherichia coli (J01695).
Last Updated: June 2002.

- Insertion points of Group I introns
- Insertion points of Group II introns
- Insertion points of Archaeal non-Group I/II introns
- Insertion points of Spliceosomal non-Group I/II introns
- Insertion points of non-Group I, II, Archaeal, Spliceosomal introns
